The Minnesota Chippewa Tribe

Visitor Restrictions

The Minnesota Chippewa Tribe (MCT) is working hard to keep employees, families and our community healthy during the COVID-19 pandemic.

To help do this, effective March 18, 2020, no visitors will be allowed in tribal offices/buildings (Headquarters, Duluth office, urban office in Minneapolis) until further notice.

Exceptions may be considered in certain situations as deemed necessary by the Executive Director.

We thank you in advance for your understanding and adhering to our restrictions.
