Request for the Public to Review and Comment on Proposal for Title III Funding

In accordance with the Older Americans Act (Section 315(c) (1)), the Minnesota Indian Area Agency on Aging (MIAAA) is eligible to submit a proposal to the Minnesota Board on Aging (MBA) to utilize Title III funds for the purpose of providing supportive, health promotion and caregiver support services.

MIAAA will employ a cost sharing strategy for allowable services to expand potential of this Title III funding to support older individuals and their families in the rural counties of Minnesota that include the Bois Forte, Grand Portage, Leech Lake and White Earth Reservations respectively.
